

Technical Sheet – NARA® Stic

Article number: 110124, 110115, 110116, 110123, 110104

Description:

NARA is a synthetic high- tech, non- toxic monitoring tool for rats and mice.

It is free of allergens and cannot be attacked by insects (flour beetles, saw-toothed grain beetles, cockroaches, etc.) Nara Stic is also ideally suited for use in wet areas. No mould or decomposition due to moisture.

Application:

Place in the unset trap for optimal and safe monitoring. Due to its "mushroom shape" it fits perfectly into any kind of GorillaTrap.

It has a shelf life of at least three months, depending on where it is used.

Suitable for indoor and outdoor use.

Technical specifications

Product size / dimensions (in cm):	14 x 7 x 22
Weight (in gram):	200
Dimension of a single NARA (in cm):	1,7 x 1,7
Weight of a single NARA (in gram):	1,35
Aroma:	Vanilla (blue), Meat (pink), Fish (orange), Choco-Nut (brown), Mango (yellow)
Ingredients:	thermoplastic elastomer (TPE), aroma, colour
Country of origin	DE
Language of the label:	English (short description in: DE, FR, DK, NL, ESP, IT)
Dangerous Good:	No
Customs tariff number:	39269097

Logistical information

Number of products per carton:	12 bags
Carton size (in cm):	31,5 x 24 x 16,5
Weight of full carton (in kg):	1,908 (net weight) / 2,069 (gross weight)

Other files available:
AIB certificate, MSDS
